LRBa1575/P1dn  
RNK:kjf:jm

January 31, 2014

Please note that the first item in this amendment inserts new language in s. 30.2038, as created in Assembly Bill 655. The language that you requested to be inserted refers to the “declaration” of the legislature in “paragraph (a).” I have assumed that you intended the language to refer to s. 30.2038 (1) (a), and have drafted this amendment accordingly. If you intended the new language to also refer to the “declaration” under s. 30.2038 (1) (b), please let me know and I will redraft to make that change.

This draft is in preliminary form to facilitate any redrafting that you may require.
